DIRECTIONS TO EAA Chapter 106 Hangar at Lawrence Airport, North Andover, MA

Take Route 28 North from Route 128/95 and turn right onto Route 125 North. Follow this down a short section of Route 114 then right toward Haverhill. Route 125 blends into Route 133, Osgood Street, which you follow past the turnoff to the airport terminal area, then in about two miles after passing a nursery the road widens for a left turn lane toward a large incinerator plant chimney. Turn left there onto Holt Road and turn right when it tees onto Clark Street. Next left is our road; access to the North ramps, via a combination locked gate. The EAA 106 hangar is straight ahead, first on the right. Park in front. >>>**BRING CHAIRS**<<<

Easy way: Fly into Lawrence Airport and ask the tower for taxi instructions to the EAA 106 Hanger. This route avoids traffic congestion on the roads.
